**UNOPPOSED MOTION OF DEFENDANT VECTOR INFORMATIK GMBH
TO EXTEND TIME TO RESPOND TO THE FIRST AMENDED COMPLAINT**

Pursuant to Local Rule CV-7, Defendant Vector Informatik GmbH (hereinafter “Vector Informatik”), through its attorneys, respectfully files this Unopposed Motion to Extend Time to Respond to the First Amended Complaint, seeking an extension of time in which it must respond

to the First Amended Complaint. Plaintiff's counsel has agreed to the extension. In support of this motion, Vector Informatik states as follows:

1. On March 11, 2011, Plaintiff Stragent, LLC ("Stragent") filed this action for patent infringement against several companies, including Defendant Vector Informatik. On July 19, 2011, Stragent filed an unopposed motion for leave to file a First Amended Complaint. The Court has granted Stragent's motion. Plaintiff served Vector Informatik with notice of the First Amended Complaint on or about August 15, 2011.

2. Pursuant to Federal Rule of Civil Procedure 12(a)(1)(A), Vector Informatik's current due date to file a responsive pleading is on or about September 6, 2011.

3. Vector Informatik requires additional time to review the allegations in the First Amended Complaint as they pertain to it in order to prepare an appropriate responsive pleading.

4. Plaintiff has consented to Vector Informatik's request to extend the deadline for Vector Informatik to file a responsive pleading to Plaintiff's First Amended Complaint to Thursday, September 22, 2011.

5. This extension will not unduly burden any party nor cause a delay in the trial of this case.

6. Vector Informatik has not previously asked this Court for any extensions of time in this action.

WHEREFORE, Vector Informatik respectfully requests that this Court grant this Unopposed Motion to Extend Time to Respond to the First Amended Complaint and enter an order extending its deadline to file a responsive pleading up to and including September 22, 2011.

Dated: September 2, 2011

Respectfully submitted,
